

Thank you for your interest in nominating for the WA TIGERS COMMITTEE for 2022!

Could you please indicate if you will be nominating for the Executive, General or Support Committee in 2022, and what you would like to achieve. If you could take a bit of time to pen this out it would be great to use as a template to move into the New Year. We realise time is not every one's friend, and we each have special and unique qualities that we can bring to the table. Please do not commit to something you don't want to do or don't like to do, just commit to what you are prepared to do on the committee! The more authentic we are now the better our experiences will be in the future, so let us know so we can ensure we have the bases covered going forward.
